TERRIFIC STORM A RECORD BREAKER

(Continued from First Page)

fury of the elements showed the effects yesterday, being speckled and dented by the hail, their appearance being almost as though huge guns loaded with buckshot had been discharged at them. On top of the custom house the marks of the hail were particularly noticeable, the instruments of the weather bureau, chimneys and other exposed objects being finely peppered. On one of the big ventilators over five hundred marks of the hailstones were counted in the space of one square foot, and on a beveled edge at that.

A space four inches square on the rounded westerly side of the rain gauge showed 143 distinct marks, or equal to 1287 stones striking to one square foot. The actual number was probably larger.

Very little damage was reported in the city as a result of the storm, a few lights of glass being broken and fruit trees and gardens suffering slightly. In a number of residences throughout the city, the hail stones came down the chimneys into fire places,

knocking down the soot and rolling out on the carpets. Many fine carpets were considerably damaged in this manner.

During the five minutes that the hailstorm lasted the thermometer dropped about five degrees, but went up to its former mark almost immediately.

Weather Summary.

In his weather map of yesterday Observer Reed gave out the following summary of weather conditions throughout the country:

The depression central over Nebraska on Friday morning, has moved slowly to southern Wisconsin; its northeasterly advance has been checked by a strong high pressure area which has moved from Ontario to New England; precipitation resulting from this disturbance has been general over the eastern half of the country, except New England; rains have been heavy to excessive from Middle Tennessee southward into the Gulf, amounting to over three inches in Pensacola where severe thunderstorms have occurred, attended this morning between 12:42 and 12:47 o'clock by a heavy hailstorm during which time the wind reached an extreme velocity (for one minute) of fifty-five miles from the west. Another general disturbance of the north Pacific coast is causing rain from central California northward. Fair and colder weather now prevails along the eastern slope of the Rockies, a ridge of high harmonic pressure extending from Montana to the western Gulf. Temperatures have fallen to freezing and below in Arkansas, indicating fair and colder for this vicinity tonight, fair

Sunday, with fresh north to northwest winds.

INFORMATION WANTED REGARDING THE STORM

The observer in charge of the local office of the weather bureau, desires to gain some knowledge of the extent of the hailstorm which passed over Pensacola on the morning of March 3rd. If some of the readers of The

Journal at points distant from Pensacola, where hail occurred, will drop a postal card addressed to local office, U. S. Weather Bureau, Pensacola, giving information desired below, it will be very much appreciated:

Direction from which storm came.
Time and duration of hail.
Size of hailstones.
Any other information in connection with this disturbance if of an unusually violent character, would be appreciated.

AMUSEMENT

BERT C. GAGNON.

Gagnon-Pollock Co.

The Gagnon-Pollock Stock Company well known and liked by our local theatregoers will be the attraction at the opera house all week opening their engagement tomorrow night with Hotel Topsy Turvy.

Unlike many popular priced shows the Gagnon-Pollock Company do not play melodramas entirely but endeavor to vary their repertoire to suit. During the week they will present some plays that have never before been seen at popular prices. Among these may be mentioned The Christian, The Little Minister, Hotel Topsy Turvy and The Road to Frisco. Mr. Gagnon has secured the plays mentioned, at a large royalty and has spent considerable money in giving them complete scenic mountings.

Mr. Gagnon is playing all of the leading roles and it is safe to say that no young man on the stage today enjoys a greater popularity. Miss Edith Pollock, the clever little leading lady is as winsome a little miss as one would care to see. She is undeniably clever and possesses an unusual amount of magnetism.

In the supporting company are found such well known names as Hal Mordant, Percy Pollock, Geo. Hanna, Frank Thorne, Anna Jerome, Miss Nettie Bagley and others. The vaudeville people are Foster Hall and Baby Doris, Thorne Holdsworth and Fudge, Nettie Bagley, Guy Gagnon and Lizette and Lucas.

There will be a special ladies and children's matinee on Saturday which will be the only matinee during the week. To-morrow night each lady

who attends accompanied by some one having a paid 30c ticket will be given a reserved seat free. The only condition is that seats must be secured at the advance sale before 6 p. m. to-morrow. Best seats for any

Wild West Show Coming.

The Great Texas Bill Wild West Shows and World's Best Rough Riders will exhibit in Pensacola Thursday, March 8. This is one of the most realistic Wild West Shows now on the road and will undoubtedly be the means of attracting a large crowd on the above date.

Familiar.

A large touring automobile containing a man and his wife in a narrow road met a hay wagon fully loaded. The woman declared that the farmer must back out, but her husband contended that she was unreasonable.

"But you can't back the automobile so far," she said, "and I don't intend to move for anybody. He should have seen us."

The husband pointed out that this was impossible owing to an abrupt turn in the road.

"I don't care," she insisted. "I won't move if we have to stay here all night." The man in the automobile was starting to argue the matter when the farmer, who had been sitting quietly on the hay, interrupted:

"Never mind, sir," he exclaimed. "I'll try to back out. I've got one just like her at home."—Philadelphia Ledger.

The City Slave.

"If you want to get fat, why don't you go to the country to live, where the food is more wholesome?" said the city physician.

"I tried that once."

"And didn't it work?"

"No. The food was all right, but I worried myself thin to think I wasn't back in the city."—Detroit Free Press.

Old Story.

Bender—So you and your wife have agreed to disagree, eh? What was the trouble?

Bender—Too much mother-in-law.

Bender—What did she do?

Bender—Every time I told my wife a fairy story the old lady would get next and put her wise.—Chicago News.

CATARRH, FOUL BREATH

If You Continually K'hawk and Spit and There is a Constant Dripping From the Nose Into the Throat, If You Have Foul, Sickening Breath, That is Catarrh.

CURED THROUGH THE BLOOD BY B. B. B.

Is your breath foul? Is your voice hoarse? Is your nose stopped? Do you snore at night? Do you sneeze a great deal? Do you have frequent pains in the forehead? Do you have pains across the eyes? Are you losing your sense of smell? Is there a dripping in the throat? Are you losing your sense of taste? Are you gradually getting deaf? Do you hear burning sounds? Do you have ringing in the ears? Do you suffer with nausea of the stomach? Is there a costiveness? Is bad taste in the mouth? Do you have a hacking cough? Do you cough at night? Do you take cold easily? If so, you have catarrh. Catarrh is not only dangerous in this way, but it causes ulcerations, death and decay of bones, loss of thinking and reasoning power, kills ambition and energy, often causes loss of appetite, indigestion, dyspepsia, raw throat and reaches to general debility, filth and insanity. It needs attention at once. Cure it by taking Botanic Blood Balm (B. B. B.). It is a quick, radical, permanent cure because it rids the system of the poison germ that causes catarrh. Blood Balm (B. B. B.) purifies the blood, sweeps away with it all impurities, giving strength to the entire

mucus membrane, and B. B. B. sends a rich, tingling flood of warm, rich, pure blood direct to the paralyzed nerves, mucus membrane to the joints, giving warmth and strength just where it is needed, and in this way making a perfect, lasting cure of catarrh in all its forms.

DEAFNESS

If you are gradually growing deaf or are already deaf or hard of hearing, try Botanic Blood Balm (B. B. B.). Most forms of deafness or partial deafness are caused by catarrh, and in curing catarrh by B. B. B. thousands of men and women have had their hearing completely restored. Botanic Blood Balm (B. B. B.) is pleasant and safe to take. Thoroughly tested for 30 yrs. Composed of Pure Botanic Ingredients. Strongly Weak Stomachs, right quantity is taken, money refunded.
